Loan information

The request to take a loan may affect the guaranteed elements, non-guaranteed elements, face amount or surrender value of the policy.

Read the following important information before requesting a loan from your policy:

- Loans may have significant tax consequences. Please contact your tax advisor.
- By requesting a loan, you agree to assign the policy listed on this request as sole security for this loan. Terms for interest and repayment of the loan are subject to the provisions of the policy.

Tax and withholding information

Withholding only applies to the taxable portion of the payment you receive.

If you are unsure if your policy is a MEC, please contact us at 800 628.2238.

If you are considering taking a loan with respect to a MEC or are concerned about the effect of any policy transaction on your estate plan or other aspects of your personal tax situation, you are strongly advised to consult a tax advisor.

- If your policy is not a modified endowment contract (MEC), loans will be taxable only if the policy terminates with an outstanding loan balance prior to payment of the death benefit.
- If your policy is a MEC, loans will be deemed distributed from taxable income first and if taken before age 59 1/2 may be subject to a 10% penalty tax. Any loan interest that is not paid when due will be treated as an additional loan.
- We will withhold federal tax at a 10% rate. You may elect not to have any taxes withheld if you complete the Substitute Form W-9 section on page 3 AND you are not subject to backup withholding.
- If you elect not to have federal and state income tax withheld, you are still liable for payment of federal income tax and, if applicable, state income tax on the taxable portion of the distribution. You may also be subject to tax penalties under the Estimated Tax Payment Rules if any payments of estimated tax and withholding are insufficient (IRS Publication 505 explains federal estimated tax requirements and describes penalties in detail). You may be able to avoid quarterly tax payments by having enough tax withheld from your loans.
- State withholding is required in **MI** regardless of federal withholding, unless you elect not to have taxes withheld (MI requires you to complete Form MI W-P).
- If federal tax is not withheld, all states that otherwise require withholding will permit you to select a dollar amount or percentage of state tax to be withheld.
- **If you want state income tax withheld in AL, AR, CO, DC, DE, GA, ID, IL, IN, KY, LA, MD, MN, MO, MS, MT, ND, NJ, NM, OH, PA, RI, SC, UT, WI or WV, you must designate a state withholding amount.**
- **CT** - State withholding is at a mandatory rate of 6.99%
- In IA, KS, MA, ME, NE, OK and VT **if federal withholding is required, then state withholding is required at the current state rate or higher amount you choose.**
- **We cannot withhold state income tax in AK, AZ, FL, HI, NH, NV, NY, SD, TN, TX, WA or WY.**
- **Unless you elect not to have state income tax withheld in CA, NC, OR or VA, state withholding is required at the current rate or higher amount you choose.**
- If applicable, the state withholding certificate may state special rules and conditions for withholding state income tax.
- Special withholding rules and forms apply to payments delivered outside of the United States or to non-residents of the United States.

Substitute Form W-9 (an official IRS Form W-9 with instructions is available by download at IRS.gov)

If you do not complete the form W-9, we are required to withhold 30% of the taxable amount and remit it to the IRS.

If you are not a U.S. citizen or other U.S. person, do not complete this section. You must provide an IRS Form W-8BEN (individual), W-8BEN-E (non-individual), or another applicable IRS form to document your foreign status.

You must cross out item 2, if you have been notified by the IRS that you are currently subject to backup withholding because of a failure to report all interest and dividends on your tax return.

The Foreign Account Tax Compliance Act (FATCA) is a Federal tax regulation that extends existing reporting requirements to require Foreign Financial Institutions to comply with IRS request of withholding and reporting on U.S. and unidentified account holders.

IRS regulations require certification of FATCA exemption. FATCA codes apply to certain entities, not individuals.

Check appropriate box for federal tax classification:
