I understand that the account value in the Goldman Sachs VIT Government Money Market Fund - Service Shares must be kept at or above the amount which will permit the dollar cost averaging transfers requested; otherwise these transfers will end. This request is in lieu of the requirement for individual written transfer requests. I may also change or terminate these transfers by written notice to Genworth Life & Annuity/ Genworth Life of New York. or by telephone if proper authorization has been received by the home office. Dollar cost averaging does not ensure a profit or protect against a loss
