REACHING OUT.
GIVING BACK.

Genworth  Foundation

WHO WE ARE

Genworth Financial is dedicated to helping individuals and families achieve their goals in a world of shifting financial burdens.

We help make dreams come true for families by providing mortgage insurance, helping people secure low down-payment loans to own their own homes.

We protect families, individually and in the workplace, with life insurance products, long term care insurance, payment protection insurance and employee health, dental and disability coverage.

We provide financial security with retirement income and investment products, including innovative individual and group annuities that provide people with paychecks they can't outlive.

Genworth Financial can be measured in terms of assets and revenues, but it can be fully understood only in human terms.

The intelligence and compassion of our nearly 7,000 global employees.

The vitality of the communities in which we work and live.

These are our company's real wealth.

These are the building blocks of Genworth Foundation, the charitable giving arm of Genworth Financial.

Through a combination of charitable grants, employee philanthropic programs and volunteerism, Genworth supports efforts that enhance the quality of life in the communities where we have offices. Since its formation in 2005, the Foundation has helped hundreds of organizations around the world. We look forward to helping many more as we reach out and give back.

REACH OUT

GIVING BACK WITH PURPOSE

A grandfather in Virginia is lonely and confused.

A child in Spain falls behind in Math.

A woman in Ireland suffers from domestic abuse.

Genworth Foundation is there. Providing funds and volunteers. Striving to solve individual problems. Building stronger communities.

Through our products and services, we are committed to being there when people need us most. Through the Genworth Foundation, we extend that commitment to our communities by supporting individuals throughout life's stages and focusing on the following:

- ~ Providing Educational Opportunities for At-Risk Youth including mentoring and after-school programs.
- ~ Supporting Access to Basic Needs through the provision of affordable housing, shelter and food.
- ~ Enriching Seniors' Lives by battling Alzheimer's and supporting programs that support individuals staying in their homes, longer.

HOW WE HELP

Charitable Grants. Genworth Foundation makes a direct investment in the communities in which we operate around the world. We provide funds and volunteers to support non-profit programs that offer services in one or more of our focus areas and meet minimum criteria for consideration.

To find out if your organization qualifies for grant consideration and to apply online, please visit www.genworth.com/foundation. Although the majority of grant decisions are made annually each fall, grant applications are accepted on a rolling basis. Notification of decisions will be sent via mail or e-mail within six months of the application.

Due to the large volume of requests, we are unable to grant every proposal. Unsolicited proposals are not encouraged. Qualification considerations include location of those served, focus and alignment of the program(s), and involvement of Genworth employees.

GIVE BACK

Charitable Events. As part of our commitment to the community, Genworth supports charitable events where we live and work around the world. Our 2006 charitable events include the Alzheimer's Association® Memory Walk, the Grand Slam for Children®, the Young Achievement Australia Award and the Genworth Children's Advantage Classic.

Matching Gifts. Genworth employees and retirees generously donate funds to a variety of causes and community initiatives. Today, these contributions provide support to thousands of U.S.-based organizations, including schools and not-for-profit organizations. Genworth Foundation matches contributions of \$100 up to \$10,000 annually. The Foundation will launch matching gifts programs in additional countries in 2007.

Employee Giving. Genworth Financial employees support community organizations through fundraising efforts of over \$1 million annually. With our U.S. partner, the United Way, the Genworth Foundation matches a portion of these gifts.

Genworth Volunteers. As a company with Heart, our focus is on workplace volunteerism—we volunteer because it's an important part of who we are. Each year, Genworth Volunteers, a global organization made up of employees and retirees, reaches out through volunteer efforts nearly every day of the year. Our talented force of Volunteers donates time, talent and hard work in our communities.

In 2006, Genworth Volunteers completed more than 150 projects. A few highlights include:

- ~ With Habitat for Humanity® in Lynchburg, Richmond, Raleigh, Stamford, Seattle, Phoenix and Toronto, our Volunteers helped to build homes for families in need.
- ~ In Sydney, Australia, Genworth Volunteers teamed up with Reading for Life to mentor children and help them strengthen reading skills.
- ~ In Europe, our Volunteers helped hundreds of children and families in need by refurbishing a school in London, working with the Red Cross in France, supporting a respite center in Ireland and providing essential items to seniors in Lisbon.
- ~ Our Volunteers in Mexico spent time with seniors reading and assisting with basic home tasks.
- ~ In Nashville and in Schaumburg, our Volunteers got their brushes out to help paint a school and a seniors' home respectively, while in San Rafael, Volunteers helped support a program for rural senior residents.

Genworth Volunteers Reach Out, Give Back and Have Fun!
